Re: United States v. James Bonczek, No. 08 Crim. 361

Dear Judge Crotty:

At yesterday's hearing in the above-captioned matter, the defense offered into evidence the digital camera used by Sergeant Vega on October 17, 2007. The camera was received into evidence as Defense Exhibit A. We believed the camera might have been necessary for cross-examination of the government's witnesses, but the defense ultimately did not make use of the camera.

With Your Honor's permission, we would like to return the camera to Stuyvesant Town. The government has informed us that they do not oppose this request.

Thank you for your consideration.

Respectfully submitted,

Susan R. Necheles
